

Jesus went to the wilderness to be tempted by Satan.

And for 40 days, Jesus didn't eat or drink anything.

"If you are the son of God, turn these rocks into bread!"

Satan commanded Jesus. But Jesus answered right back,

"Man will not live by bread alone, but by the Word of God."

Satan took Jesus to the top of the temple. “If you are the Son of God, jump. Won’t your angels save you?”

“You will not tempt God.”

Satan took Jesus to a very high mountain.

“If you worship me, I will give this entire world to you.”

“Go away, Satan! You shall only serve God.”

Satan left Jesus. Then the angels came and helped Jesus.

Namwoo like doing his Cornerstone for Sunday school. But memory verses were hard. Namwoo promised his mom and his Sunday school teacher to memorize the verses 5 times a day every day before bed. Namwoo prayed to God, too. "God, help me so I can memorize verses this week."

By Sunday, Namwoo could memorize these verses all by himself.

“All the students who are memorizing verses today come up!”

Namwoo was very nervous, but he went to the stage and recited the memory verses. Namwoo was so happy.

“God, I can memorize verses now. Thanks for helping me!”
