

God told Abraham, “Leave your land and go to Canaan.”

Abraham listened to God. His wife Sarah gathered the plates! His nephew Lot gathered the sheep!

“Let’s go to Canaan!”

They finally arrived at Canaan. God promised he would give Abraham great blessings.

“I will give this land to you and your descendants,  
and your people will become like the stars of heaven.”

Abraham thanked God.

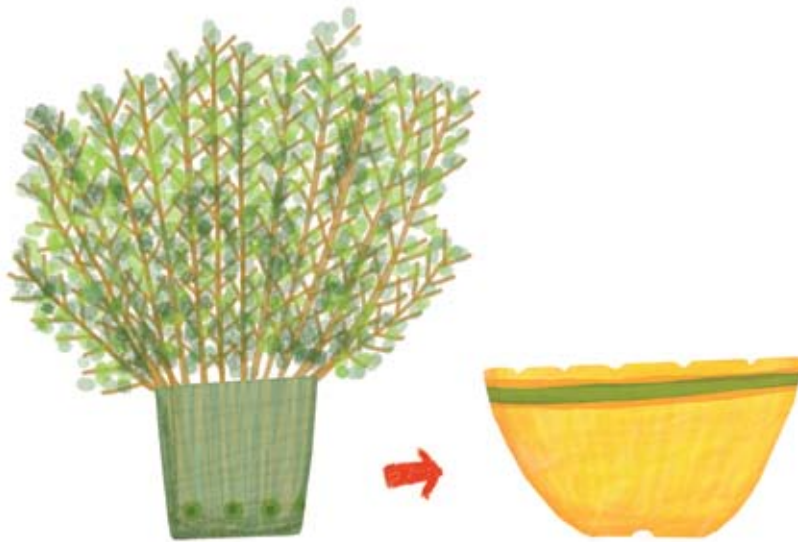

## **God created the world**

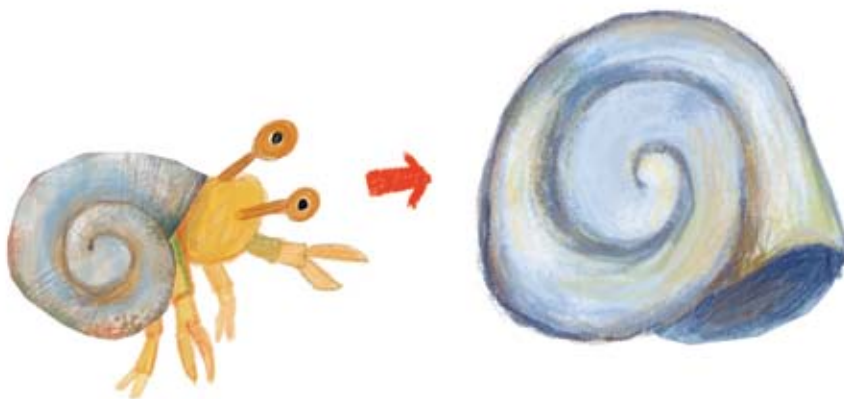

“Let’s change the flowerpot, Namwoo!” “Why do we have to change the flowerpot, Mom?” “Well, the plant has grown too big and needs a bigger flowerpot. But because the plant can’t move on its own we need to help it. Just like that, God gave a world that’s just right to live in.”

When a plant grows, it has to be moved into a bigger flowerpot.

When hermit crabs grow they need to move into a larger shell.
