The people of Israel committed many sins before God. God sent the Midianites to bother the people of Israel. The Midianites stole their animals and their crops.

“God, we sinned! Please help us!”

The people of Israel cried out to God. One day,  
God spoke to Gideon.

“I am with you, go fight the Midianites and  
overcome them!”

Gideon listened to the words of God.

Gideon gathered the people of Israel together for war.  
But God told Gideon, “You have too many soldiers.  
Send the people who are scared back home.”  
Many people left Gideon. God spoke again.  
“Bring your soldiers to the river and make them drink.  
Only choose those who drink the water with their hands.”  
The only people left now were 300 soldiers.

Gideon and his 300 soldiers brought trumpets, jars of clay, and torches to meet the Midianite army. Gideon and his soldiers slowly crept up to the Midianite camp.

“Toot-toot!” “Crack!” Gideon and his soldiers blew their trumpets, cracked their jars and held their torches high. The Midianites were scared and fought each other. Gideon and his 300 soldiers were able to defeat the Midianites through God’s help.

After playing with his friends, Namwoo came home feeling upset.

“Mom, my friends showed off their new games and bicycles.

Can you buy me them too?” Namwoo’s mom thought for a very long time before answering him. “How about this? Every time you keep your promises and do what I tell you I’ll put 50 cents inside this piggy bank.

Then how about buying what you want when the piggy bank is full?”

“Alright, it’s a pinky promise then mom!”

“How about you get 50 cents for every time you help out our family?”

“Sure thing!”

A few days passed. Nate helped his family in many ways but it didn’t seem like his mom was putting money inside the piggy bank.

“Maybe I’ll try lifting my piggy bank up...”

“Oh my! It’s really heavy! My mom kept her promise.”

From then on, Nate believed in her mother’s promise.

# Thinking Child

We make promises with our parents, our teachers and our friends.

What kind of promises do we make? Write them down below.

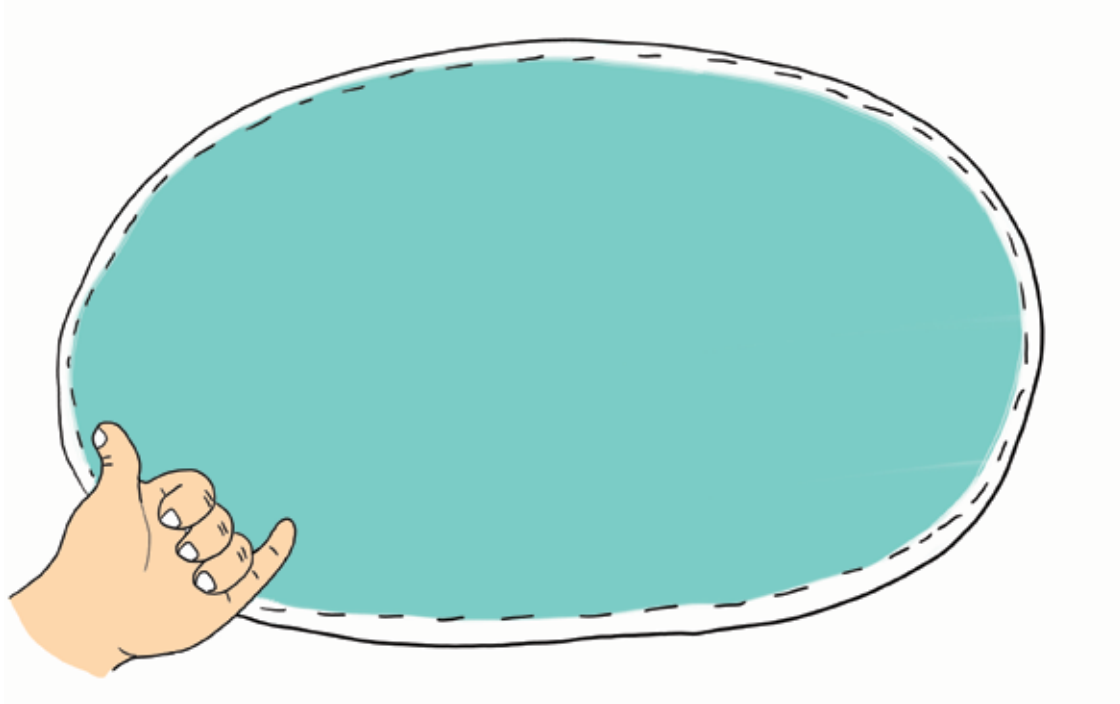

To your parents:

To your teachers:

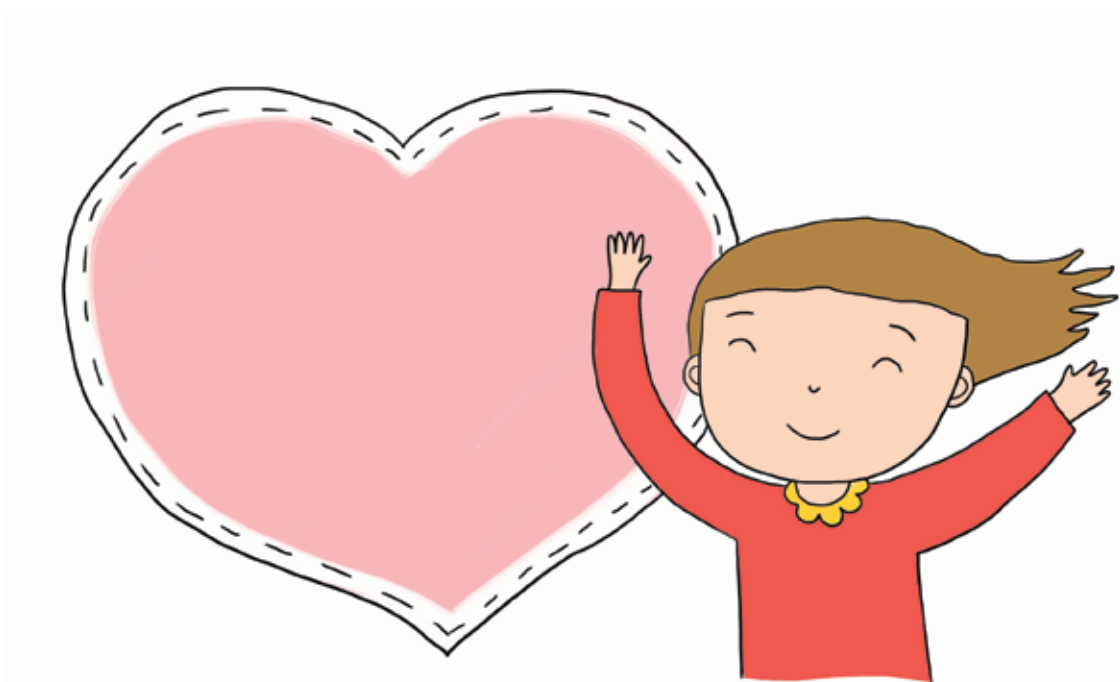

To your friends:

What promises did you end up keeping? Write it down below.

How did you feel when you kept your promise? Write it down below.

# Joyful Activity

There are jars, trumpets and torches! Count them to see how many there are!
