God Created Man With Dust

God formed man last out of all of his creation.

God breathed into his nostrils the breath of life.

And Man breathed. God gave Man this earth to rule over.

We have a body and a spirit. We can't see the spirit with our eyes. God made our bodies with dust, but he gave us a spirit in his own image. When we die, our bodies will become dust but our spirits will go to God.

Let's try to build a house! We make the walls strong.
We build a roof so it will stay nice and dry in the rain.
Shall we make a chimney to keep it warm?
Make the house colorful!

Ta-da! The house is finished!

But this house is not happy.

Why is it? A very important thing is missing.

What's wrong? Even the best house has no use
without people to live in it.

It was prepared

Namwoo was shocked to see that his plant was dying. “Mom!” he cried, “something is wrong with the sprout.” “That’s called a *cotyledon. That little thing has many nutrients for the plant to grow.”

*cotyledon: this small leaf grows on newly grown plants. It contains many nutrients for the plant to grow.

“Your dad and I prepared bottles, diapers, and toys before you were born, Nate. A baby bird in an egg has everything it needs in order to grow. Just like your dad and I prepared everything we need before you were born, God prepared everything we need to live.”

Joyful Activity

God made us out of dust.

Glue the picture of the person.

Then sprinkle some soils on her!
