

Where do you like going the most?

An amusement park with a lot of rides?

Riding a sled down a snowy hill?

But there is a better place than these.

It's heaven! Happy is always a happy and good place.

Heaven is the most beautiful place in the world.

Heaven is the happiest place in the world.

Heaven is a place without sadness or pain. Heaven is a place where you stay with God forever. Who can go to this heaven? People who listen to the words of God and get born again. God wants everyone to become saved and go to heaven.

Namwoo had a lot of people he wanted to meet in heaven.

The courageous David, the builder of the Ark, Noah! But Namwoo wanted to meet Jesus the most. Namwoo wanted to ask Jesus all sorts of questions.

Heaven, the place where Namwoo could meet all the great people in the Bible. Think about who you want to meet. What do you want to ask them?

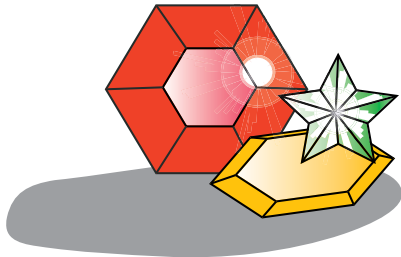

Joyful Activity

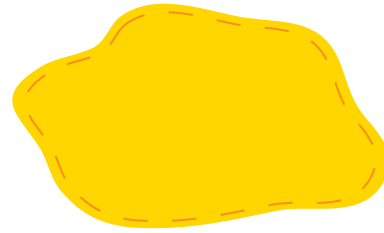

What is heaven like?

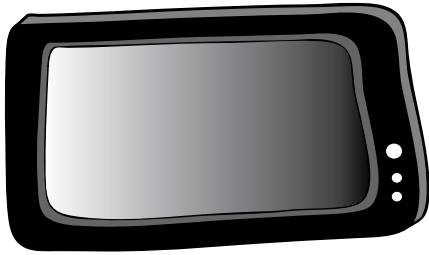

Circle the things that are in heaven.
