

Jesus gathered all of His disciples. Jesus spoke to them.

“The Holy Spirit will come and enter your hearts to help you. Go to everyone and tell them about Me.”

And then, Jesus went up, up into the sky.

Soon Jesus was so high up in the clouds, they could not see him anymore.

But the disciples sat looking at the sky for a long time.

Then two angels appeared to them.

“Why are you looking into the sky? Jesus has gone up to heaven. And just as you saw Him go up, in that same way He shall return.” The disciples were happy.

Very soon, Jesus will come back to us! Jesus promised that He would return before He went up to heaven.

Jesus is coming to take born again Christians to heaven.

In heaven, there is no death, no sadness, and no pain.

We will live in heaven with God happily forever.

Then when will Jesus come? Nobody knows.

Only God knows. Jesus will come when we least expect it.

When Jesus comes, what should we be doing?

We should be studying the Bible, praying, and listening to what our parents say – that's what Jesus will be expecting.

Are we all ready to meet Jesus?

Namwoo's church school teacher said, "The love of Jesus is higher than the sky and deeper than the ocean. What about the love in your heart?"
Namwoo thought about it.

"I don't like to share my snacks sometimes... I have times when I hate my sister. I have times when I get angry..."

Namwoo's teacher continued.

"Jesus forgive the sins of every single person in the world. He loves us forever. Jesus even forgave you, Namwoo, even when you were being greedy or mean to your sister."

Namwoo heard what his teacher said and liked Jesus even more.

"I really like Jesus who loves me."

Thinking Child

What is forgiveness? How do we forgive? To forgive means not to think or speak of what that person did wrong to you anymore. If you want to forgive, you need a loving heart rather than hatred. God gave us a loving heart. Even that person did something wrong to you, write down their names below and try to forgive them. And pray to God to give you a forgiving heart.

Who I will forgive:	What that person did:	Did I forgive him /her?
Friend in School	Made fun of me	<input type="radio"/>

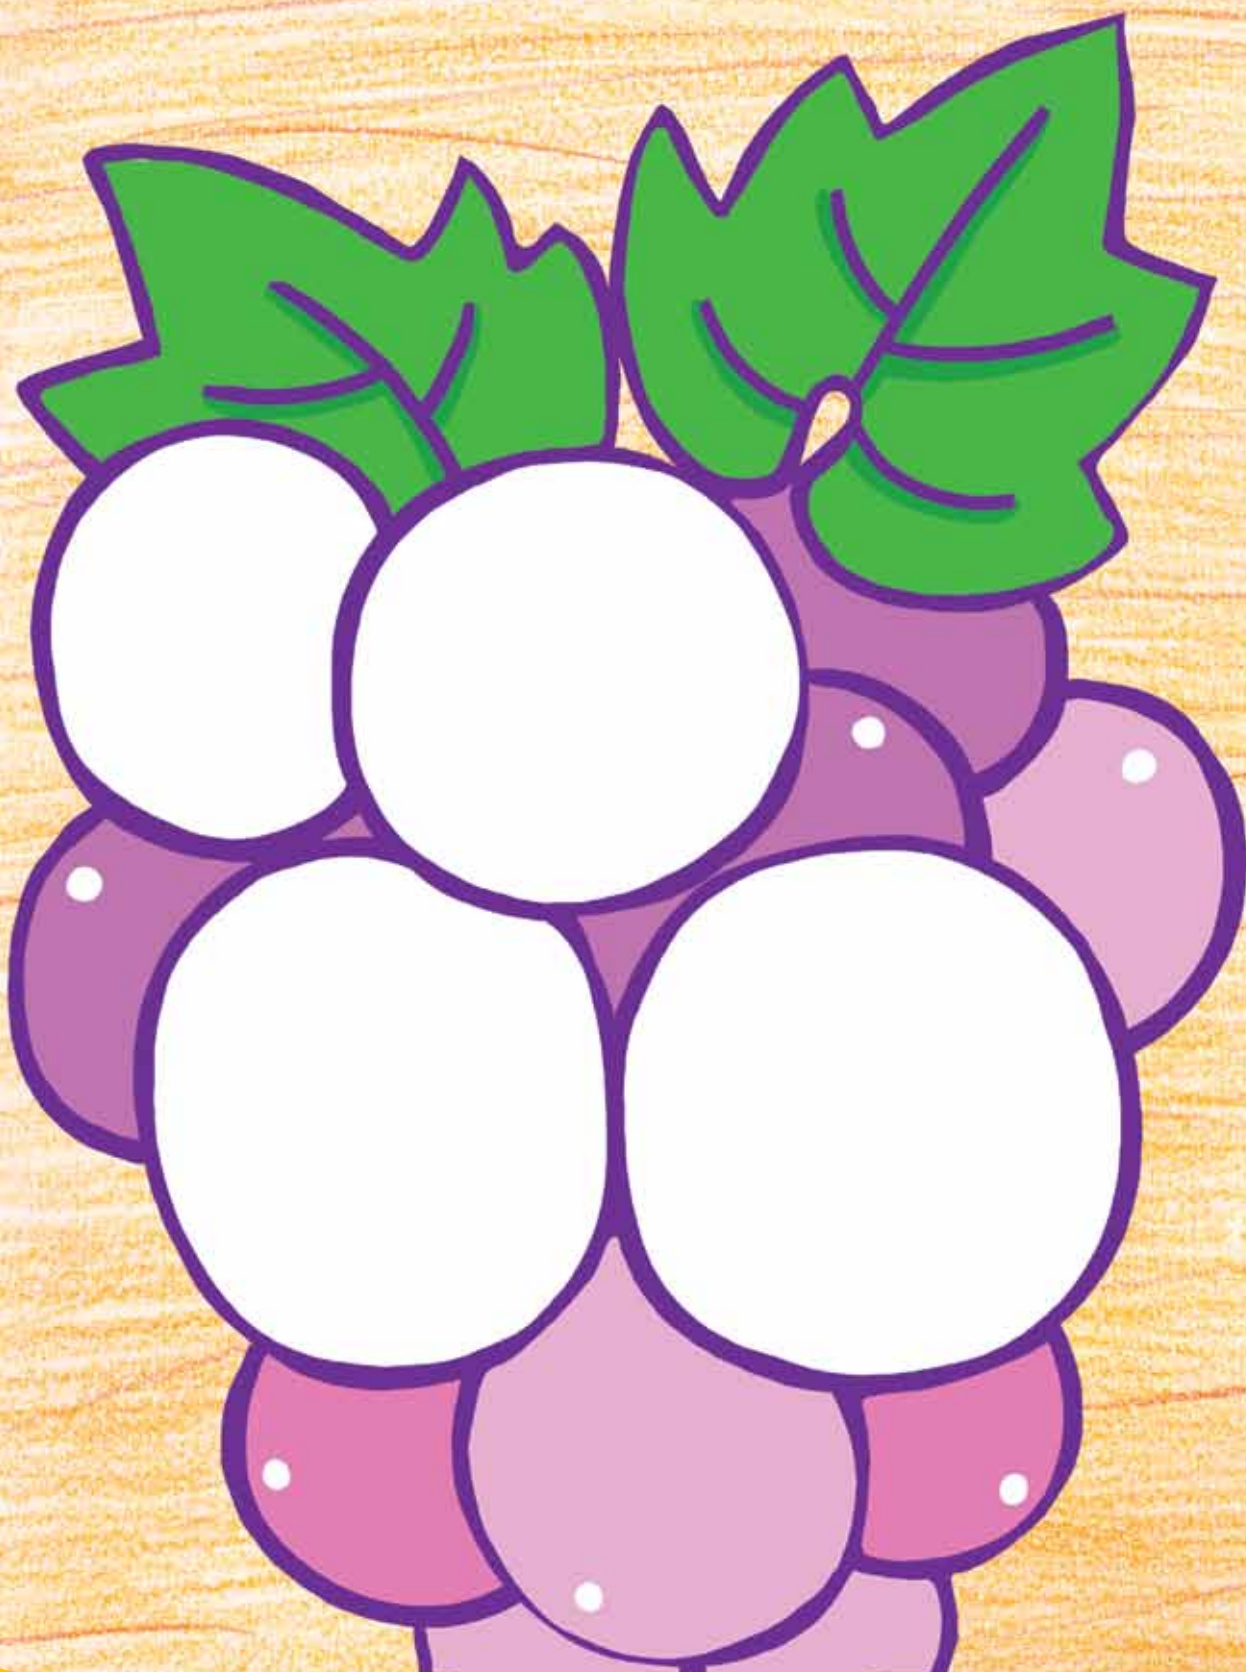

Write a letter to Jesus who loves you.

Joyful Activity

What type of fruits did we grow before we knew Jesus? Write them in the blank grapes below.

"Writing a letter to
your friend"

FUN CRAFT
