

After Jesus died, Mary Magdalene woke up early in the morning to visit Jesus' tomb.

Mary was shocked to find an angel there. The angel spoke.

“Do not be afraid. Jesus is alive again.”

Mary was so very happy. She ran back home to tell the disciples the good news.

Then Jesus appeared to Mary. “Do not be afraid.

Tell the disciples to go to Galilee.

You will see Me there.” Mary met the disciples and told them what she saw.

“Jesus is alive!”

But the disciples did not believe in her words.

In the evening, Jesus appeared to His disciples.

“Do not be afraid. Come here and touch My hands and My feet.” The disciples were very happy to see Jesus.

But at that time, one of the disciples, Thomas, was not there.

Later the other disciples told Thomas that Jesus was alive again. But Thomas said that he would not believe until he saw Jesus.

8 days later, Jesus appeared to His disciples again.

Jesus told Thomas to touch His hands and His side.

“Touch My hands, Thomas, and believe instead of not believing.”

Then Thomas was able to believe and was very happy.

My mom makes food for me even if she is tired.

My dad works for me, too.

God sent Jesus to Me. Jesus died on the cross for me.  
I am receiving so much love.
