

God spoke to Moses.

“Send men to spy out the land of Canaan.”

Moses sent twelve men to spy out the land of Canaan.

After the spies spend forty days in the land of Canaan,
they came back with big grapes.

Ten of the spies said, “Canaan is a very beautiful land. But because the people in Canaan are like giants, we cannot defeat them.”

Joshua and Caleb replied, “No. God is with us. The people of Canaan are our bread!” Because Joshua and Caleb relied on God, they did not fear the giants. The people of Israel did not listen to Joshua and Caleb. And as punishment, the people of Israel spent forty years in the wilderness.

The people of Israel who went into the land of Canaan with Joshua continuously gained victory over the Canana people. This is because God helped them. Many nations came together to fight with the Israel people.

Joshua prayed to God.

“God, please make the sun stand still!”

God listened to Joshua’s prayer and made the sun stand still. Joshua relied on God and gained great victory from the fight.

Believe in Promises

My teacher told me, “If you memorize the memory verses for one month, I’ll give you a present.”

Namwoo believed in his teacher’s promise and memorized the memory verses for one month. Even though it was hard, he gained strength because he thought about his teacher’s promise.

Other students would say “Wow, how can you do that?”

“Will the teacher really give us a present?”

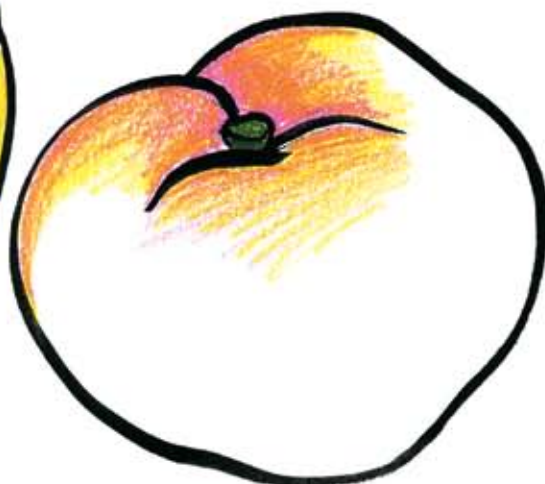

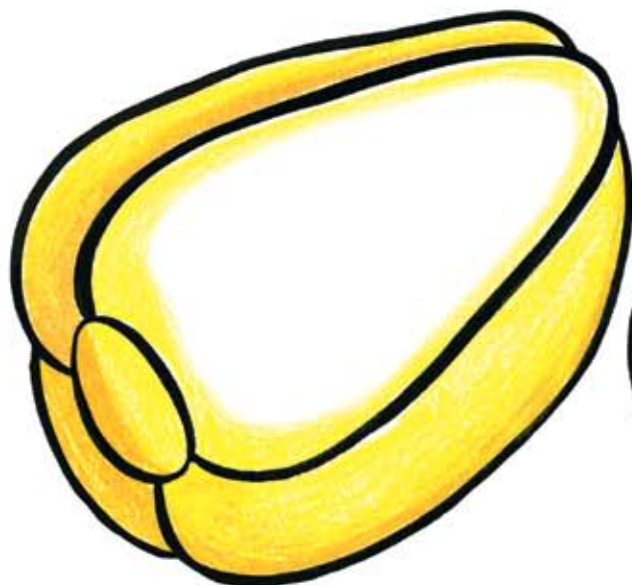

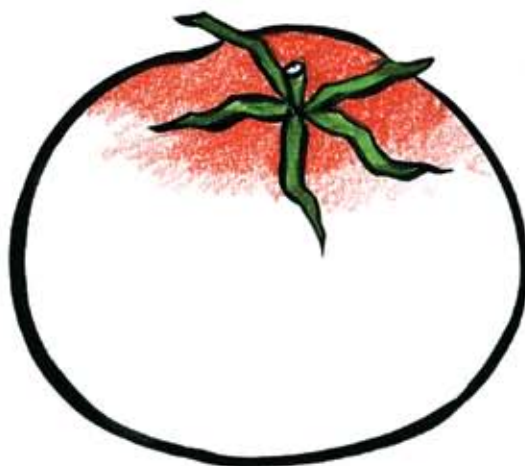

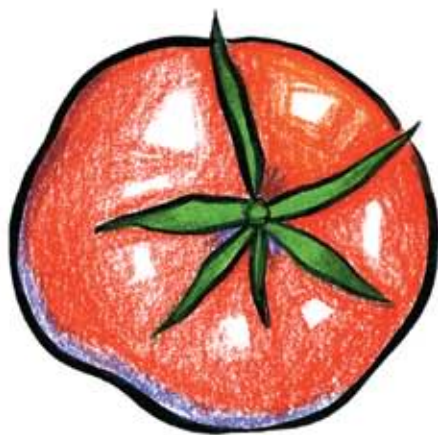

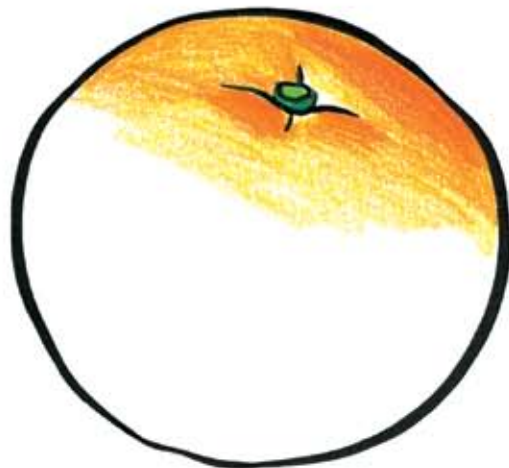

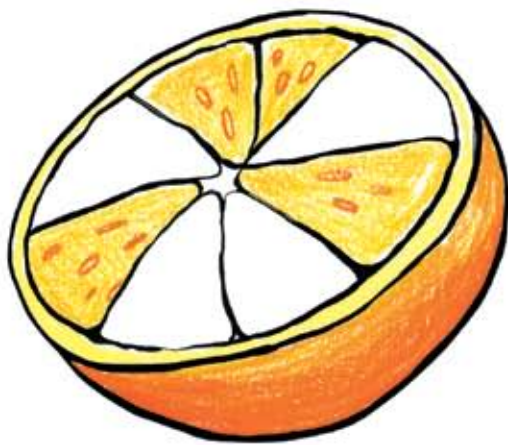

and stopped memorizing, but Namwoo truly believed in his teacher’s promise.

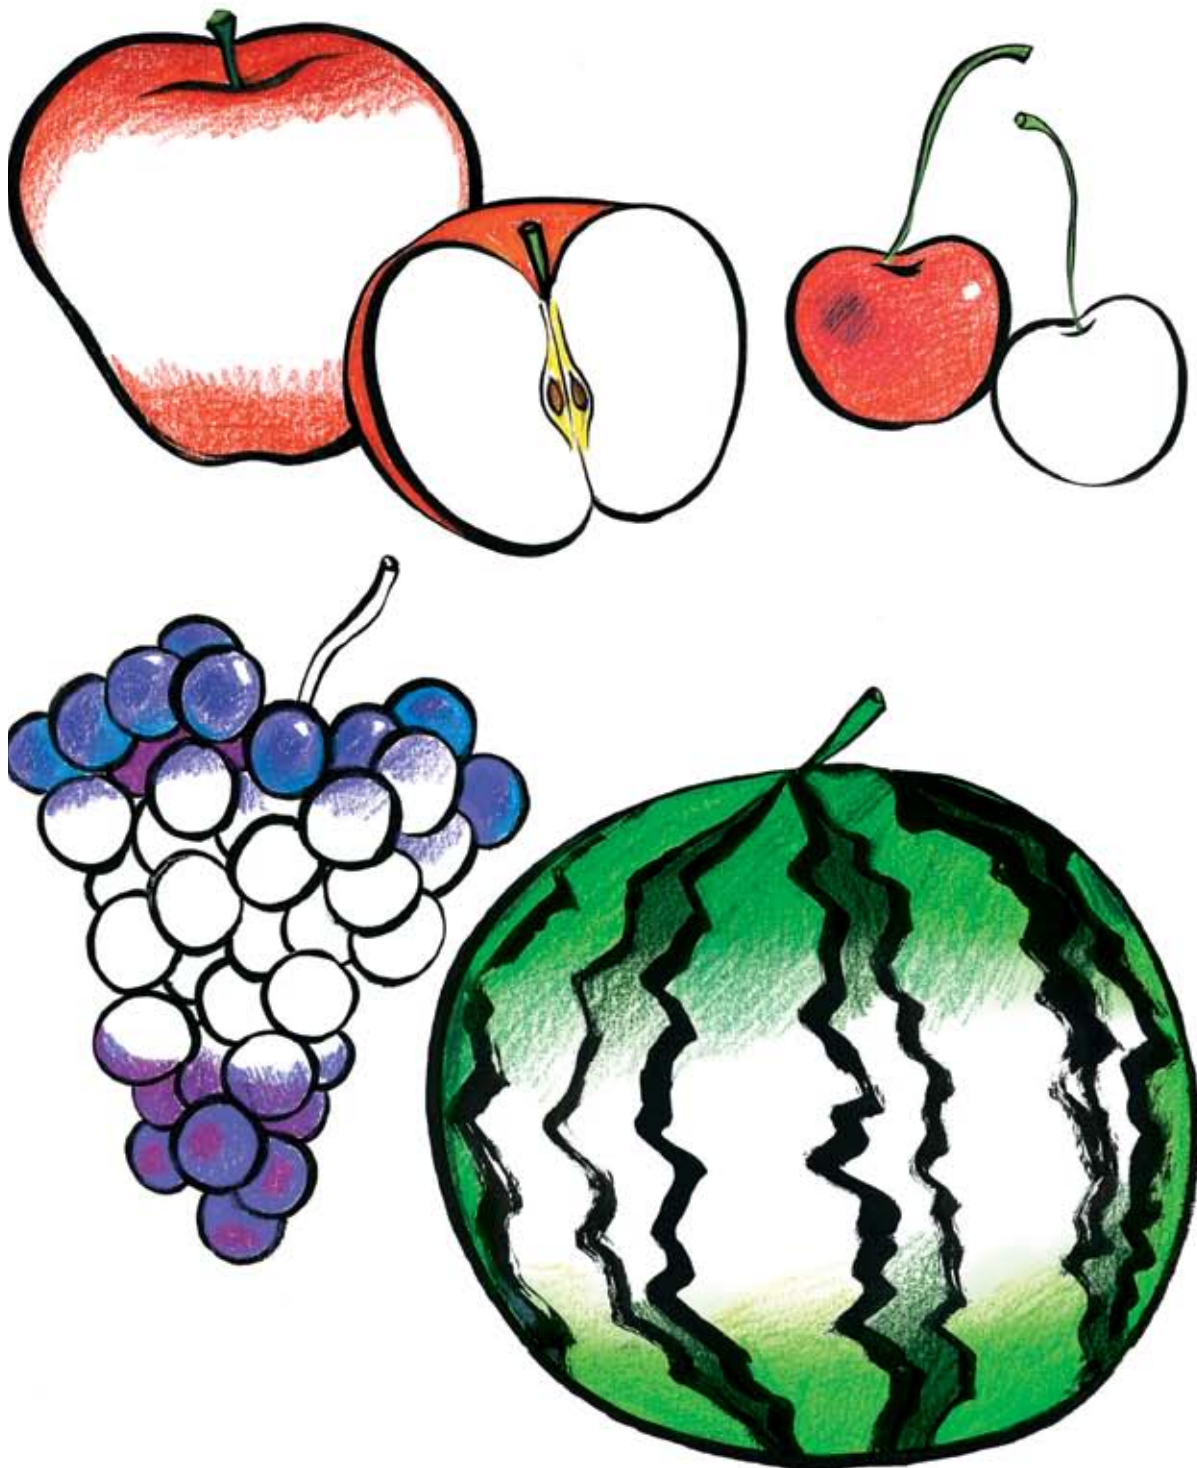

One month passed. “It has been already a month since I made the promise. Raise your hand if you memorized the memory verse.” Only Namwoo raised his hand. And he stood up and recited the memory verse. “Is Namwoo really the only one who did it? That’s too bad, because I prepared a present for every student in this class. I’ll give a present to Namwoo who kept my promise.” Namwoo received a big present and was really happy.
