

Abraham son's Isaac was born when he was 100 years old.

Abraham loved his son Isaac.

God wanted to know Abraham's heart.

"Sacrifice your son to me." God said.

Abraham loved Isaac, but he knew he had to obey God.

Abraham raised his knife
to kill Isaac. Then God
suddenly shouted,
“Abraham! Abraham!
Do not harm the child.
I know now that you truly
fear Me.”

“Barr!”

Abraham turned around and found a ram that God had prepared stuck in the bushes. Abraham sacrificed the ram instead of Isaac to God.

God was happy with Abraham’s faith, and He blessed him more.

God will give better things

“Let’s see if the seeds are growing.”

Nate was shocked to see that the plant was wilting.

“Oh no! The plant died!”

Namwoo's mom saw it too. "Oh, it's too bad the plant is wilted. But don't worry, Namwoo. God will give us something better."
"What could be better than flowers?" "Well Namwoo, the flowers have to wilt in order for the plant to get fruit. The apple tree has to wilt in order for the apple tree to grow apples." Namwoo eagerly waited for his plant to grow fruit
