

The Philistine army invaded Israel. The great Philistine giant, Goliath, shouted out loud. “I want someone to fight!” The Israelite soldiers all trembled in fear.

But then, a little courageous boy named David stepped forward. Goliath laughed out loud. “Little child! You’ll become prey if you fight with me.”

David shouted out to Goliath.

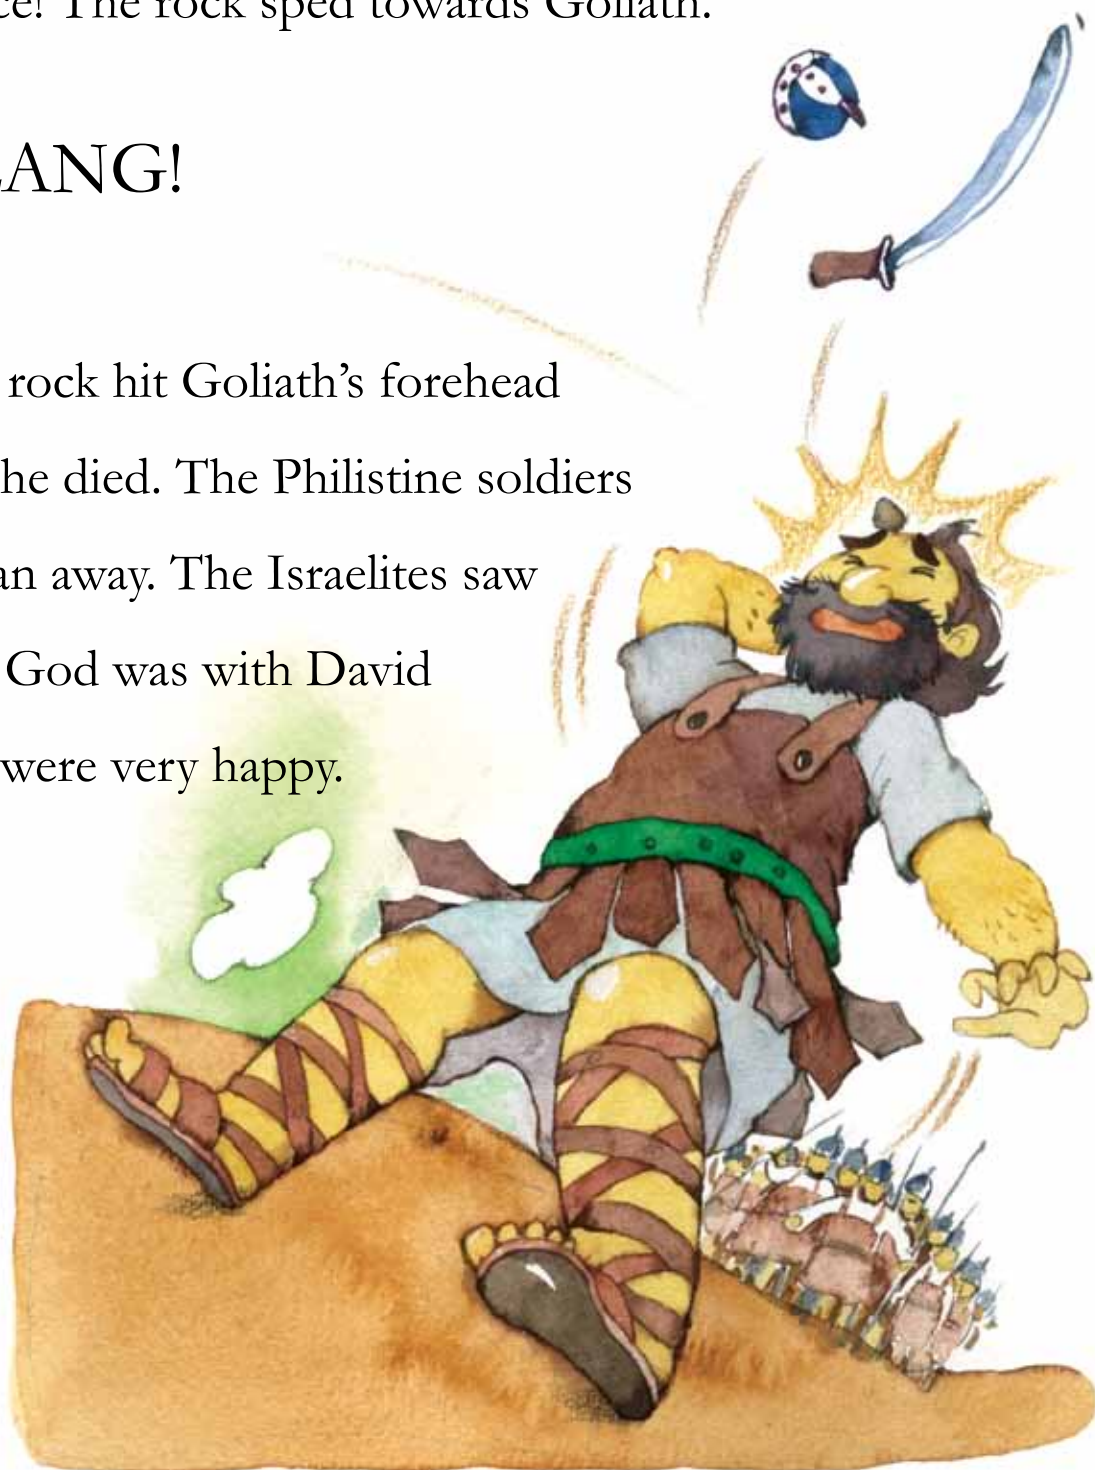

“You may fight with shields and swords, but I fight with the name of the LORD!”

David put a stone in his sling and swung once!

Twice! The rock sped towards Goliath.

**CLANG!**

The rock hit Goliath's forehead  
and he died. The Philistine soldiers  
all ran away. The Israelites saw  
that God was with David  
and were very happy.

At last, Nate and his mom went to buy the bicycle. When they got to a store, they saw a child throwing a tantrum on the floor.

“Wah! Buy me a bicycle! I want to buy a bicycle!”

Namwoo's mom was proud of him. "I'm so proud of you for keeping your promise with me."

Namwoo picked out a bicycle he liked.
