

In Bethany, Lazarus, Martha, and Mary were brothers and sisters. Jesus loved them. But one day Lazarus got sick. Martha and Mary believed Jesus would save Lazarus. They sent people to Jesus to tell him that Lazarus was sick.

A few days later Lazarus died. When Jesus finally arrived in Bethany, four days had already passed since Lazarus' death. Martha heard Jesus had arrived and ran out to meet Him. "Jesus, if you had been here then my brother would not have died."

Jesus told Martha, "Martha, I will save Lazarus!"

Jesus went down to Lazarus' tomb. "Move the stone away from the tomb." Then Martha spoke to Jesus.

"Jesus, it's been four days since he died and the body smells."

"If you believe my words, Lazarus will be alive again. Move the stone."

People moved the stone away. Jesus looked at the sky and said a prayer of thanks. Then He spoke in a loud voice.

“Lazarus! Come out!”

Then Lazarus, who had been dead, came out of the tomb alive! Martha and Mary were so happy to see him again and they hugged him. The people who saw this miracle believed that Jesus was the son of God.

Namwoo's friend Amy was very sick and couldn't come to school. Namwoo was worried about Amy. How could Amy feel better?

"Mom, Amy is really sick. Is there anything I can do to make her feel better?"

“Namwoo, how about you try praying for Amy? God even brought back people from the dead.”

“Okay! Jesus brought Lazarus back and He healed sick people!”

“That’s right! Pray for Amy just like that.”
